BUNGALOW, 1 FLOOR  
Offer in detached and  
semi-detached version  
without garage

The Dallas offers a thoughtful layout and a welcoming living environment. Its main floor features a bright living room, a functional kitchen with ample storage, and a welcoming dining room. Two comfortable bedrooms, one with a walk-in closet, and a full bathroom complete the main living space. The basement offers ample development potential with the possibility of adding two additional bedrooms, a full bathroom, and a large family room, creating a flexible space to meet future needs.
